Hi Pete and Harry,

Per Rosemary's email, the NND needs to be completed before she can do anything with it. Please let me know who you would like to get those completed.

Thanks!

Thanks Deb. I envision this will change weekly, as we rotate staff into and out of Animas (as well as the post-typhoon CNMI/Saipan/Rota response in the Pacific).

FYI. My HRO is working with your HROs to submit a waiver for the bi-weekly earning limitation for R6, R8 and R9 staff working on the Gold King Mine event. Once he has the list of staff he will submit the names to HQ to include with our waiver request. Please let me know if you would like to have a roll other than seeing the list of names we submit.
